Shape a Dream...Build a Future

BFK Library News

Fall into Reading!

Fall into Reading is not only a [cocktail event](#) that Books for Kids hosts each autumn, it also a great motto for the new school year! Start the year off right by making reading a priority. Read with your students in the Books for Kids Library in your center and in the classroom, but also be sure to encourage parents to read with their children in the home. The more time young children spend with books, the more likely they are to become lifelong readers. So, be sure to spend this autumn curled up with a good book and your favorite young child on your lap.

Library Card Sign-Up Month

Start off the new school year by signing up for a library card and by taking a child in your life to the nearest branch of the public library to get a card as well. Library cards are generally free and are available at any branch location. In order for a child to receive a library card, he or she need not be present, but a parent or guardian must sign the application form. For more information about getting a New York Public Library Card, visit www.nypl.org.
